

Partnership Opportunities

OKLAHOMA STATE SCIENCE & ENGINEERING FAIR

OSSEF

The **Oklahoma State Science and Engineering Fair (OSSEF)** showcases the best science, technology, mathematics, engineering, agriculture, and health research by Oklahoma students (grades 6–12). Each year, 200+ students from dozens of schools across the state participate, along with 110+ judges. OSSEF students communicating their authentic research to professional scientists, engineers, and scholars.

68th Annual OSSEF – Friday, March 27, 2026

Your partnership will support event and program expenses for OSSEF and send more Oklahoma high school students and teachers to the Regeneron International Science and Engineering Fair (ISEF).

Be an OSSEF judge or volunteer

STEM professionals in your organization can judge or volunteer at OSSEF, as part of a team outing or community engagement opportunity for your organization. Training is provided.

An investment in Oklahoma's future.

Readiness

Connecting STEM-ready students with leaders in industry and education

Recognition

Elevating outstanding research efforts across Oklahoma

Resources

Supporting hands-on education in Oklahoma schools
