

2021 Virtual Oklahoma State Science
and Engineering Fair (OSSEF)
March 25-27, 2021

How to prepare for the 2021 OSSEF

1. Qualify to advance to OSSEF from your Regional Science Fair

2. Register online for the OSSEF

3. Submit the following documents to OSSEF by Wednesday, March 3rd.

- a. All ISEF forms required for your project and approved by your regional SRC/IRB
- b. Photograph of your science fair board (could be a single PowerPoint image)
- c. Video of you presenting your research with your science fair board in the background or on the computer screen. (student should be visible in the video presenting their research)
 - Up to 6-minutes for Division I students
 - Up to 4-minutes for Division II students
