

Oklahoma Science & Engineering Fair Teacher Workshops

Via Zoom

Learn how to mentor students in STEM research and coach them in STEM competitions such as the OSSEF and JSHS

Click on the link below to register for the workshop(s)

https://okstatecoe.az1.qualtrics.com/jfe/form/SV_2ggnUGbGSwS8mVL

The first 30 teacher participants who register and attend all three workshops will receive a special gift

https://okstatecoe.az1.qualtrics.com/jfe/form/SV_2ggnUGbGSwS8mVL

Workshop #1 - Oct 10

9:30 am - 2:00 pm

- Overview of the OSSEF & JSHS programs; meet STEM researchers to generate ideas for student research projects; introduction to ISEF forms

Workshop #2 - Nov 14

9:30 am - 2:00 pm

- Continue learning about ISEF forms; learn to facilitate students in writing a research paper; introduction to basic statistics

Workshop #3 - Dec 5

9:30 am - 2:00 pm

- Tackling science fair boards/posters; key points in a PowerPoint presentation; facilitating students in making oral presentations to judges
